Scoring Guide

48–60: Strong Foundation – Maintain and refine.

36–47: Solid but Uneven – Some leakage present.

24–35: Needs Attention – Worth focused effort.

Below 24: Immediate Focus Area – Likely draining energy.

Final Reflection

1. Which pillar scored lowest?
2. Which pillar surprised you most?
3. If you could improve just one pillar over the next 90 days, which would it be?
4. What would improve in your life if that pillar strengthened?
5. If nothing changes in the next 3 years, how would you feel?
