# JOY OF BEING

AWAKENING HORIZONS

# WELCOME

The Joy of Being program, or JOB as we call it, reveals to you who you really are, this is your true purpose, your why?

You will discover your I AM - "I am that I say I AM". You will find what your real JOB is (your Joy Of Being), your calling, who you came into the world to BE.

You are then phenomenally compelled, to go out and do what you came here to do, with that new powerful knowledge and awareness.

This program sets the course for the rest of your life. Guided by your True North Star, your New Orientation, your very own Inner GPS.

I am so excited to be your guide on this Hero's Journey to discover who you really are - your powerful I AM.
