10:30am - 11:20am: **Education Session - 1 CEU: Enter the Super Fakes – Watch Authentication**

Presented by: Anthony Fabiano, Watch Certification of America

In this seminar, we focus on identification of Super Fake watches and how to reduce your risk. We give you a game plan for attacking authentication with steps that trainees of all levels can apply and be effective. All attendees will test their skills during the seminar by engaging in several virtual watch authentications.

11:20am - 1:30pm: **Lunch with Exhibitors**

1:30pm - 2:20pm: **Education Session - 1 CEU: CA State & Federal Compliance 201**

Presented by: Dave Griffith, AML Gurus

In observations based on reviews done in 2024, 2025, and so far in 2026 across the country, it was determined that this training event should cover all things 8300 form related, and where possible with California specific language and examples.

2:30pm - 3:20pm: **Education Session - 1 CEU: Diamond School 101: The Essentials of Evaluating Diamonds Mounted in Jewelry at the Counter**

Presented by: Moris Adato, JAGiLab

In this hands-on seminar, Moris Adato of JAGi Lab teaches pawnbrokers how to accurately estimate diamond weight, color, clarity, and other key value factors in mounted jewelry using only the tools available at the counter. Attendees will gain practical, field-tested techniques to reduce risk, strengthen confidence, and make smarter buying decisions in everyday pawn transactions.

3:30pm - 4:30pm: **Education Session - 1 CEU: The Fine Print of Pawn – Navigating Contracts for Success**

Panel Discussion with Philip Mastagni, Tony DeMarco, Sam Shocket & Jesse Farmerie

An interactive panel discussion on contract clauses, customer communication, and best practices to ensure compliance and protect your business.
