Technologies of Control of Time

The Teachings of Grigori Grabovoi about God  
Control of Time

Technologies of Control of Time

Teacher: Viacheslav Konev

Organizer: Elizabeta Bobnar Najzer  
center.grabovoi@gmail.com

Lecturer: Viacheslav Konev

Organizer: Elizabeta Bobnar Najzer

Language: English, translated from Russian

In this seminar, we will consider technological approaches to organizing human action in the very structure of time, that is, in the time space itself. Developing the material separately, we will consider information about timeless space, its organization, and its creation with the participation of a person. This material is the basis for the technologies of materialization in the physical world the restoration of the lost organs of the physical body of a person.

## Center Grabovoi - Video Portal

Cher membre invité - Enseignement de Grigori Grabovoi sur DVD «Le rajeunissement dans la vie éternelle» est la continuation d'un ensemble complet de 12 séminaires, entièrement consacré aux dernières conférences de Grigori Grabovoi sur les « Technologies de la vie éternelle » et les « Technologies de l'éternité » (sept 2010). Nous étudions ici le webinar cours donné par Grigori Grabovoi le 12 août 2010. Chaque de ses douze cours peut être utilisé éducativement par l'auditeur même s'il n'a pas assisté aux cours précédents.

Au cours de son enseignement, Grigori Grabovoi emploie la méthode dite de « cœur de professeur pour assurer la vie éternelle ». Occupant toujours ce caractère ainsi avec la collaboration active des participants, qui tiennent à l'heure un contrôle plus « assurer le vie éternelle à chaque participant et à tout les être vivants ».

La question du rajeunissement est au cœur des préoccupations de tout grand maître. Grigori Grabovoi nous conduit à cette information dans les travaux les plus divers de son Enseignement. Ce séminaire maître expose tout le processus, de la jamaïque à tout les autres aspects des technologies de rajeunissement d'approfondir et d'élargir leur compréhension de son processus.

Les technologies de rajeunissement dans la vie éternelle se distinguent des technologies de rajeunissement ordinaire. Ce séminaire est consacré à la dernière conférence, dans lequel il agit son séminaire d'élargir le niveau de rajeunissement obtenu, mais surtout de maintenir cet état de jeunesse pour l'éternité.

Nous étudions des technologies de contrôle totale sur le passé et le futur, des technologies visant à créer une structure matérielle de rajeunissement, et ce que d'autres technologies sont vues pendant complètement sur le plan du cœur. On aura très certainement aussi permis de passer de niveau supérieur de la conscience au 0ème humain.

**Nous découvrons:**

- Technologies de la Réseaux informationnelle dans la vie éternelle
- Différentiel de participation des technologies de rajeunissement dans la vie éternelle par rapport aux technologies de rajeunissement ordinaire
- Technologies de rajeunissement grâce à l'interaction avec des objets de la réalité future
- Technologies de rajeunissement basées sur la connaissance de la mission participative de chaque individu
- Validation dans le présent de tous les enseignements pendant le futur
- Systèmes matériels de rajeunissement
- Création de systèmes matériels de rajeunissement et d'équipements pour le passé
- Technologie de création de « tissu futur » grâce à des constructions lumineuses
- Construction des structures matérielles futures dans la perspective du rajeunissement
- Gestion du corps physique grâce aux technologies de rajeunissement dans la vie éternelle
- Technologie de la conscience

## Help & Support

## English

### Video Portal - FAQ

What is the content of the Video Portal? 

Who has access to the video portal? 

How do I access the portal? 

Which web browser can I use? 

I can't log in to the portal, what can I do? 

I am registered but forgot my password, what can I do? 

How do I buy access to the content of the video portal? 

**Short manual for the Video Portal**  
In the PDF format.

[Back to the video portal](#)

### ZOOM Webinar - FAQ

To access the webinars we recommend using the Zoom Client application! 

Check to make sure you have the latest version of Zoom installed. 

What information do I use to sign into a Zoom Webinar? 

Writing messages (Chat). 

How do I select the language in which I wish to hear the webinar? 

I cannot hear the lecturer. The lecturer is very quiet. 

I cannot see the video, I cannot choose the language etc.

The image shows a user profile form titled "Profile". At the top right, there are two buttons: "Cancel" and "Save". The "Save" button is highlighted with a green background and is pointed to by an orange arrow originating from a circle containing the number "17". Below the title bar, there is a blue circular profile picture icon. To its right are two input fields: "USERNAME" containing the letter "m" and "PASSWORD" containing a series of dots. A small edit icon (pencil) is located to the right of the password field. Below these are four more input fields: "FIRST NAME" with the letter "N", "LAST NAME", "EMAIL" with the letter "n", and "COUNTRY CODE" with a dropdown arrow. To the right of the country code field is a "PHONE NUMBER" field with the placeholder text "Enter the phone..."
