

CCA Credentialing CCC[®], ECC[®] and CCMC[®] levels of Consciousness Coaching[®]

*This information has been designed to support you in attaining
and applying for your Consciousness Coaching[®] credential.*

The purpose of the Consciousness Coaching[®] credentialing program is to

- Establish and administer minimum standards for credentialing Consciousness Coaches[®],
- Assure the public that participating coaches meet or exceed these minimum standards,
- Reinforce Consciousness Coaching[®] as a distinct and recognized brand and coaching method.

BENEFITS OF BEING AN ACCREDITED CONSCIOUSNESS COACH[®]

- you will be entitled to present and market yourself as an accredited Consciousness Coach[®] (e.g. Adam Sample, Consciousness Coach[®] CCC[®])
- you will be listed on the CCA and CC global and local licensee's websites (visitors can identify Consciousness Coaches[®] near their area, feel the person behind the photograph, read your resume and contact you; leads are forwarded to you within 48hrs).
- you will be considered to be included in Creative Consciousness joint ventures.
- you will be considered for coaching jobs of Creative Consciousness corporate ventures.
- you will be included in the considerations around receiving quality prospect leads seeking Consciousness Coaching[®] services.
- being linked to the international community of Consciousness Coaches[®] will give you access to like-minded people all over the world, support and friendship.

The Consciousness Coaching[®] credential is awarded to professional coaches who validate that they meet or exceed these minimum standards. To determine which Consciousness Coaching[®] credential recognizes your amounts of training and experience, please consult the table below:
