SWAG BAG

[without the bag]

Sponsored by

Adobe

Thanks for registering for the Photoshop Virtual Summit 5!

Traditionally at in-person conferences you'd receive a bag filled with printed coupons, fliers and specials. This is our virtual version of that traditional Swag Bag: a PDF packed with great deals, information and more, from our Sponsors and Instructors.

Each day this week we will release classes, and those sessions will be available to watch for free for 48 hours. Please remember that you will receive an email each morning with a link to that day's classes.

A huge thank you to our sponsors: Adobe, Photofocus, mylio, lume cube, xencelabs and B&H Photo Video.

On behalf of all the instructors, welcome to the Photoshop Virtual Summit 5. We truly hope that you learn a ton and that your creative juices start to flow as you imagine the possibilities...

Photoshop Virtual Summit 5: Keys to Success

- Make sure that you are receiving the daily emails: add info@davecrosssummits.com to your mailbox
- Remember that classes are free to watch for 48 hours: make note of the classes you want to re-watch
- Classes go live each hour on the hour. Be sure to **refresh the page** to see the new classes
- We are in the Eastern Daylight Time Zone – but the classes are not broadcast live, so you won't miss anything if you are not watching when a class is made available.
- Classes are free to watch, but there is an optional (paid) VIP Pass that gives lifetime access to re-watch all sessions. More details can be found elsewhere in this document.
- There's a ton of information coming this week, so open yourself up to learning new techniques, adding new tools to your workflow, and enjoy learning more about Photoshop.

"I signed up to the summit thinking I would just dip into a couple of the free sessions and was so impressed with what you pulled together and more importantly I learned so much information in a couple of sessions that I had to sign up for the VIP pass."

James W

"I just wanted to say that I have had bought several other courses some even from some of the presenters you have and of course watched so many YouTube videos and other free courses and teachings and I have to say this compilation of info is awesome it's everything I have ever searched for all in one place! Your presenters are fabulous and fun and so helpful. I wasn't going to buy the VIP pass but I am now! This info is too valuable and it will save time Searching the internet for just the right info because I will already have it! Thank you so much!"

Danya K

"I'll use this occasion to tell you that the summit was outstanding. There was so much material packed into that time period that I am still feasting on the riches. Thank you for organizing the sessions and count me in whenever you repeat the experience. The lessons and ideas moved my work up several notches!"

Penny C

"I have zillions of classes and memberships, so I only signed up for the free pass to your Photoshop Virtual Summit. After watching Success in Printing (only part through) with Daniel Gregory and Taking Control of your Lightroom Classic Library with Rob Sylvan I was ready to start throwing money at you. They are without a doubt the best instructors I have ever heard on these subjects. I just can't put all I'm learning into practice fast enough! I'm zinging David - truly coming off the walls with happiness."

Becky J

"I want to thank you personally for a beautiful program of exceptional sessions that I found life-changing—I know they will be the impetus for enormous creativity and possibilities for the promotion and outreach of my work."
