# SWAG BAG

[without the bag]

Thanks for registering for the Photoshop Virtual Summit 6!

Traditionally at in-person conferences you'd receive a bag filled with printed coupons, fliers and specials. This is our virtual version of that traditional Swag Bag: a PDF packed with great deals, information and more, from our Sponsors and Instructors.

Each day this week we will release classes, and those sessions will be available to watch for free for 48 hours. Please remember that you will receive an email each morning with a link to that day's classes.

A huge thank you to our sponsors: Adobe, BorisFX and B&H Photo Video.

On behalf of all the instructors, welcome to the Photoshop Virtual Summit 6. We truly hope that you learn a ton and that your creative juices start to flow as you imagine the possibilities...

A handwritten signature in blue ink that reads "Dave Cross".

Thank you so much for an even better Summit! This outstanding group of instructors exceeded my expectations and when I'm looking for specific instruction in the future I know who to contact. I was happy to see several of the instructors give a good introduction to generative fill. It seemed several of the instructors went deeper into working with photoshop and I learned a lot and am thankful for the VIP so I can review the techniques as needed. I look forward to the Summits all year and they just get better and better.

I have followed along but behind some. I really am glad I got the VIP pass so I can go back to watch some classes again. My brain is full for now!!! You have outdone yourself with the subjects of the sessions and the excellent instructors! Thank you so much for all you have done!

This has been (and will continue to be) a fantastic learning experience. I am just a hobbyist, but I'm so glad I went with the VIP package this year. There's way more here than I could ever absorb in five days, and I very much appreciate how much effort all the presenters put into making the course notes available.

So glad I got the VIP Pass! I've only managed to watch about a third of the classes to date. The Virtual Summit is such a fantastic event, so expertly put together. I have gained a good deal of knowledge already, and I'm looking forward to working through the remaining classes I need to catch up on, as well as having the facility to dive back in to any and all, whenever I wish! Keep up the good work.

This class alone is worth the price of admission for me! I have always struggled with selections of animals. I am really looking forward to working with your techniques. Thank you, Tim, for two great classes!

It says a LOT when you pay for a week's set of sessions (VIP member), and by the third presentation, you already feel like you have got more than your money's worth. I've been using Ps for 20 years as of this year, in just about every way imaginable (painting, photo processing, photo restoration, etc.) and I feel like I doubled my knowledge with this one course. Outstanding presentation Blake, and thanks for making my VIP pass so completely and totally worth the money (and then some).

CMG this was fantastic, informative and yes drinking from a fire hose but at a level (me a beginner) that I can grasp! Will be watching this many times over as I absorb all the info. Thank you Colin!!!!
