Having already earned his place alongside figures such as Oprah Winfrey, Denzel Washington, and J.K. Rowling, Dion Jensen's global reputation as a speaker is firmly established.

When the COVID 19 Pandemic struck the world, Dion was called upon to help organizations globally, to lead their people during crisis and mentor and support them after the crisis passed. It was this situation that led Dion to create The Lion Academy, the world's first solutions academy, delivered *The Pacific Way* that now has over 7,000 members globally.

Dion's *#Crisisleadership* modality trended at number 1. in the world on LinkedIn because he showed people exactly what to DO. And once again, he has been called upon to share how he was able to turn these problems into *solutions*, while the majority of the world was locked down and struggling to survive.

Now, the challenge for most organizations is navigating the 'new normal' with an unknown future and rapidly changing technology, leaving people behind. But that's OK, because Dion is *The Solutions Speaker* and he'll inspire, motivate and not only give your people hope, but a tangible blueprint to follow. Book him now!
