GLOBAL FOUNDER & CEO

Dion Jensen as the Founder and CEO of The Lion Academy is a Global Influencer, that lives his ethos of *Trauma, Transition, Evolution*. He walked this journey initially as a Solider, Police Officer and Close Protection Operative, culminating in creating *Success For Soldiers* a global solution to PTSD and Suicide.

Moving people through and out of trauma, Dion was headhunted into the corporate arena as the Regional Operations Manager for Asia Pacific, managing countries. His ability to formulate solutions to complex problems was put on show to the rest of the world, due to his intimate understanding of people.

His leadership and management expertise, especially during crisis, allowed his leadership modality *#Crisisleadership* to trend at Number 1. in the world on LinkedIn. His ability to increase *engagement, productivity and revenue* made him extremely valuable in the corporate world.

This caused him to evolve, becoming an inspirational speaker, corporate trainer, and corporate consultant. When the pandemic hit, Dion recognized that there needed to be a system at a global level that could serve humanity with his solutions. So, he built The Lion Academy, amassing a 7,000 user base organically.

Now, he is on a specific mission to attack the spirit of suicide within the Military, Law Enforcement and Emergency Services of the world. He has designed a Speaking, Training and Organizational Academy approach, the commissions of which are available to Speaker Agencies. Increase your revenue and your reputation in the marketplace by selling Dion Jensen - The Solution Speaker.

A NEW DAY HAS DAWNED FOR SPEAKER AGENCIES

An unprecedented opportunity has presented itself to Speaker Agencies if they understand the psychosocial polycrisis that has gripped our world. Speaker Agencies that provide speakers that are capable of effectively implementing the content of their speeches into organizations are the most valuable speakers of the future. And agencies deserve commission for providing them.
