Generation Indoctrination: Inside the Transgender Battle

Brandon Showalter • 29 Episodes

The transgender craze is growing and metastasizing in America and worldwide. Confusion is abounding. And while Western cultures celebrate and elevate gender chaos, the societal and cultural costs are quickly mounting. Join enterprising journalist Brandon Showalter of The Christian Post for a no-holds-barred exploration of the topic in "Generation Indoctrination," a documentary-style podcast series aimed at exploring the roots and impact of the transgender debate. In this five-part investigative podcast series, Showalter masterfully takes listeners through heartbreaking stories, expert opinions, and bewildered academics' experiences as these individuals push back on the narratives being perpetuated and targeted at young hearts and minds.

2 Timothy 4:2-5

Preach the word of God. Be prepared, whether the time is favorable or not. Patiently correct, rebuke, and encourage your people with good teaching.

3For a time is coming when people will no longer listen to sound and wholesome teaching. They will follow their own desires and will look for teachers who will tell them whatever their itching ears want to hear.

4They will reject the truth and chase after myths.

5But you should keep a clear mind in every situation. Don't be afraid of suffering for the Lord. Work at telling others the Good News, and fully carry out the ministry God has given you.

104

Ephesians 4:14-15

Then we will no longer be immature like children.

We won't be tossed and blown about by every wind of new teaching.
We will not be influenced when people try to trick us with lies so clever they
sound like the truth.

Instead, we will speak the truth in love, growing in every way more and more
like Christ, who is the head of his body, the church.
