- WEALTH** *What do I have?*
- STRATEGY** *How do I build?*
- TRANSITION** *Where am I going?*

WHO EARL SPEAKS TO

- THE HIGH-CAPACITY BUILDER**
Accomplished and producing results — but their current structure no longer fits who they are becoming. Ready for a new blueprint.
- THE CAPABLE BUT OVEREXTENDED**
Highly gifted and deeply called — but carrying too much without a framework that matches the assignment they sense inside them.
- THE GIFTED BUT UNSTRUCTURED**
Talented, called, and full of potential — but lacking the sequencing and strategy to turn what they carry into something that actually lasts.
