

The Book of Human Empowerment

Hello awesome Authors! We are excited to be able to offer you our discounted rates for you to purchase printed copies of our books. This is the private discount we are given directly from our publishing arm to extend to you directly. Please keep in mind, these links below are not for you to give out to others. These are private discounted links specifically for you as one of our Authors in this series. Also please note you have to literally copy and paste the URL links below and paste it into a internet browser for it to work. The links below are NOT clickable as it's a security precaution that they put on it so that the links are not publicized to the general public.
