

All members of the UK Hospital at Home Society Council are expected to:

- Regularly attend committee meetings, including approximately one in-person meeting per year
- Contribute to the UK Hospital at Home Society's Special Interest Groups, as appropriate
- Contribute to the administration and running of the UK Hospital at Home Society
- Attend all UK Hospital at Home Society AGM's while a member of Council, except in extenuating circumstances
- Uphold the values of the UK Hospital at Home Society
- Contribute to other activities of the UK Hospital at Home Society, as appropriate

Additional responsibilities of Regional Representatives, from each of the 4 UK nations:

- To provide insight, based on personal and professional experience, regarding Hospital at Home in the country they represent
- To be a point of contact for professionals seeking information about Hospital at Home specifically in the country they represent
- *Regional representatives must work primarily in the region (country) which they represent*
