

Personal Ministry Agreement

By way of clarification with regards to 'Health to You' - Personal Ministry appointments, please read the following:

Our goals are to provide insights and guidance based on the truth of God's Word (Bible) and other helpful studies that are available. We seek to address your needs and draw up a plan for spiritual, mental, physical, emotional and social restoration and wholeness. In the process of ministry, we may see it necessary to refer you to someone specialized in a specific area of need in your life. This would be done in complete agreement with everyone involved.

The staff of Health to You Ministry has a variety of ministry experience and educational backgrounds. The affirmation of this 'ministry' is seen in many changed lives and homes. We are ministers of the Word of God to the whole person. We are not licensed counselors nor do we claim to have any formal training in medical treatments. However, many have confirmed our gifts in this pastoral ministry and we know we have the Word of God and the Spirit of God who leads us, teaches us and gives us insight.

It is our desire to come alongside you and see you restored to wholeness in your life. This goal is only possible if you are transparent, honest and willing to apply what is necessary to bring about the change. You must also be willing to practice the principles and practical exercises assigned to you. We are not responsible for 'the need' that brought us together, or what you do with the truth that we share with you.

We agree to keep all things shared in the session(s) in total confidence between you, the client and the person ministering to you. Except for the following: That a threat of personal harm can come to the person themselves, or to another individual.

We agree to work with you as long as you have a desire and willingness to continue and there is a commitment and movement towards growth!

These sessions may be audio recorded for future detailed reference in your confidential file.

By signing below, you release and save and hold harmless: the Health to You Ministry Team of all potential litigation, knowing that you are personally responsible for the choices that you make with your life, even as a direct result of our ministry times together. The results will depend on you taking the truth and insights and then applying them by faith.

The cost to sustain this ministry is \$70 (taxes included) per one-hour session at our ministry center or \$70 *plus* travel and expenses at your home (\$10 minimum or 50 cents per kilometer round trip)

This can be given at the beginning of each appointment... so that money is never the focus!
Appointments can be changed with a minimum of 24 hours' notice and are to be re-booked within the same week or earliest opening, to avoid a cancellation fee of \$40.

Please Note: if these fees are outside your budget, then please feel free to talk with us regarding a possible discount or alternative way to sow back into this ministry.

I have read the "personal ministry agreement" and I agree with the above. I desire to commit to ministry with Health to You Ministry Team.
