

INTRODUCTIONS

STANDARD (Corporate/Leadership Events)

Our next speaker, Michael Goss, is the founder of InfiniteCEO and Leader One, organizations dedicated to helping leaders and teams operate with clarity, conviction, and culture.

Michael brings three decades of real-world experience leading and scaling companies across multiple industries & multiple countries. He's not an academic, he's an operator who's lived the challenges executives face every day.

Through his frameworks, including: Compass OS, Decision Pillars, and Execution Rhythms, he equips leaders to make better decisions under pressure, align their teams, and build execution rhythms that last long after the event.

Please join me in welcoming Michael Goss - The Catalyst that Activates Leadership Culture.

ENERGETIC (Franchise / Sales / Growth Events)

Our next speaker knows what it takes to build something that lasts.

Michael Goss is the founder of InfiniteCEO and Leader One, and he's spent more than thirty years leading and scaling multi-site, multi-industry companies from field operations to international organizations.

He's not here to motivate, he's here to activate. His frameworks, like: Compass OS, Decision Pillars, and Execution Rhythms, have helped leaders around the world turn clarity into culture and execution into results.

Get ready to take notes, think big, and leave with systems that stick. Please welcome Michael Goss - The Catalyst that Activates Leadership Culture!
