Frequently Asked Questions

Q: I've tried budgeting before, but I hated going without. Is this the same old, same old??

No! MoneyMagnet Mentoring does include the basics of budgeting, but it teaches you how to approach budgeting in a whole new way. Instead of forcing you to live as cheaply as possible and get multiple jobs to pay the bills, you'll learn how to find unexpected money, enjoy the luxuries that make life sweet, and build wealth for the future... faster than you thought possible!

Q: I'm busy! How much time will this program take?

We'll be working together for a total of twelve months, so we'll really get to know each other well! In the first six weeks, you'll watch a short video each day and then complete a short mission; the total time each day is 15-30 minutes. The rest of the modules are self-paced, so you can move as quickly or as slowly as you need.

There are four group coaching calls per month; these calls are held on Zoom and are scheduled to be an hour long. If you're not able to make these calls live, you can watch the recordings afterward. You'll also have five shorter one-on-one calls spread throughout the 12 month program.

FAQs (page 2)

Q: How fast can I expect to see results?

Each person's experience is different... but clients who follow the program committedly usually start seeing a change in their mindset within a few weeks, and a noticeable difference in their bank account within a few months. By the end of the year, you'll be amazed by how abundant your life has become!

Q: Can I do this all on my phone?

We get it! You're busy and it's hard to find time to sit in one place. You can use your smart phone for most of the MoneyMagnet work, but some sections are easier to do on a desktop or laptop computer.

Q: Can I do this program if I have an iffy Internet connection?

Some of the mindset and energy work can be done offline, but all of the modules and coaching calls do require an Internet connection. You'll want to be in a space where your connection is reasonably strong, especially during the coaching calls.

Q: Do I have to use a special program to access the materials?

Nope, the only programs you'll need are an Internet browser (for the course materials), a free Zoom account (for the coaching calls), and a free FaceBook account (for the community support).

FAQs (page 3)

Q: What kind of support is there if I get stuck?

The last thing we want is for you to stay stuck... and we've totally got you! There are four live group coaching calls each month:

- Twice a month, you can ask Kaylin any money questions in the financial group coaching calls.
- Once a month, you'll work with Michelle, our certified Life Coach, who will give you tools to help you uplevel your attitude, your relationships, and your life!
- And once a month, you'll be on a call with an energy expert, who can answer any questions about the kind of energy work they specialize in. We feature a different energy expert each month, so you can learn more about lots of different kinds of energy work.

Plus, we'll have five one-on-one calls at specific points through the program, where you'll meet with Kaylin to address any specific issues you may have. And between calls, you can always ask questions in the private MoneyMagnet FaceBook community.

FAQs (page 4)

Q: What if I can't make the group coaching calls live?

It's always more fun to attend the calls live, so you can ask questions and interact with the coaches and other MoneyMagnets on the call... but unfortunately, life sometimes gets in the way! The group coaching calls are recorded, so you can watch the recordings afterward, if you can't make a call (or if you just want to listen to a certain section again.)

If you have a question but you can't attend the coaching call, you'll be able to submit your question in writing beforehand, and the coach will do her best to answer your question during the coaching call (and you'll just need to listen to the call recording later.)

Obviously, you need to be on the one-on-one coaching calls live, but these are offered at different times, so you'll be able to pick the times that are most convenient for you.

Q: Does Kaylin show up live to the coaching calls?

Yes, of course! You'll get small group financial coaching calls with Kaylin 2X per month, with a "hot seat" approach. If you're willing to speak up on the call, Kaylin will be happy to work with you!

Of course, the same is true for the other MoneyMagnet coaches. Both Michelle (our certified life coach) and the energy coach of the month will answer questions and go through exercises with you in a "hot seat" approach.

FAQs (page 5)

Q: Does all the training show up at once? Is it "drip fed"?

We've found that it's most effective to unlock content in a "drip fed" way. Especially in the first module, it's important for you to go through each daily training session and do the daily "mission" right afterward so you cement the training into your brain. That's why the content in the first module is unlocked on a daily basis – this keeps you to the correct pace, so that you won't be tempted to zip through the training without actually doing the exercises!

After the first module, the timing is more flexible, so we unlock content on a monthly basis.

Q: How long will I have access to the program content?

You get 12-month access to all of the pre-recorded training courses and coaches. After the first year, we will offer options to continue in the program if you're not ready to leave the community, or to continue working with the coaching staff directly.

Q: Are there any added costs?

You don't have to purchase anything other than the MoneyMagnet Mentoring membership in order to be successful – everything you need for success in the program (other than a good attitude!) will be provided for you.

FAQs (page 6)

Q: Are there any upsells?

We will let you know about things that we're excited about and think may be useful to you by email or in the Facebook group; many of those things are free, but some are for purchase. All of them are optional, and you can opt out of those emails at any time.

You'll also have the option to purchase 1-on-1 coaching with any of the program coaches and some of the energy coaches if you would like to, but these extra coaching sessions are completely optional and not required for success.

Q: Is there a guarantee?

Since the coaches invest their time in you throughout the MoneyMagnet Mentoring program, we can't offer a money-back guarantee.

But what we CAN guarantee you is this: if you do the work, your life will change. You'll end your year with us with your finances in order, a clear plan for your next steps, and supreme confidence in your ability to attract and manage abundance. Plus you'll know that you've changed your family's future, FOREVER.

MEET YOUR COACH

Kaylin Wood

Hi there!

If you haven't met me yet, I'm Kaylin Wood, founder of **Kaylin Wood Abundance Coaching**.

After an early divorce, I worked **three jobs** to keep my house. Once I was out of that financial hole, I swore to myself that I wouldn't **EVER** get that close to

the edge again.. and my interest in personal finance was born! After spending 30 years working for the U.S. Federal Government, I retired early and became a certified financial coach. But I discovered that many people, when they start working on their finances, end up getting stuck on feelings of **lack and scarcity**, thinking, "I can't afford that!" or "I'll **NEVER** be able to pay off my debt!"

I knew that the only way to live a prosperous life is to live in an **abundant** mindset... so I created a way to teach moms to get comfortable in that mindset, by using both the **left** (*logical*) and the **right** (*creative*) sides of the brains **together**.

I'm on a mission to help moms just like you to live your **fullest, most abundant life**... so you can give your kids a fantastic life **right now** while moving toward the prosperous **future of your dreams**.
