Virtual Event Services

You Are Hosting a Virtual Event! What now?

There are many ways to plan a virtual event and we have the knowledge, experience, equipment, and team to support events of all sizes.

We categorize event types into these 3 frames:

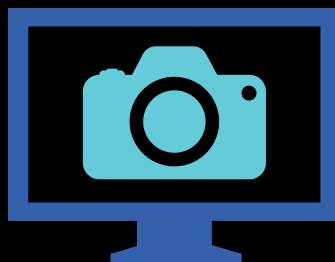

Remote Event Support

All team & speakers are completely remote and we handle all the tech, taking it from basic Zoom meeting to engaging event!

Professional Studio Support

We travel to you & build a custom Studio, complete with pro cameras and speakers tools. Or, you can come to our studio in Oakland CA.

Hybrid (In-Person & Virtual) Events

Take advantage of both In-person & Virtual with a hybrid event! We connect both worlds with our Complete Hybrid Package

Remote *Event* Support

We support you remotely from our studio and we have your back every step of the way. These events are done over Zoom and we help create a completely virtual transformational experience

Included in our Remote Event Packages :

- **A Remote Technician/ Live DJ for the Entire Event**
- **Fully Curated Branded Soundtrack (Epic Done-with-you Event Playlists)**
- **Pre-Event Consulting & Production Meetings**
- **Access to All Our Speaker Tips & Resources**
- **Graphics & Videos Playback Support**
- **Spotlight & Breakout Support**
- **Tech support to get you looking and sounding amazing!**

AMPLIFY MY EVENT!

Hybrid Events

Take advantage of both In-person & Virtual with a hybrid event! Connect both worlds with our Pro Hybrid Package. Some of the benefits & feature include:

- **Be able to connect to your in-person audience while spreading your reach worldwide**
- **Have Virtual attendees participate fully in the event, creating a fully immersive experience**
- **Be able to interact with in-person & virtual attendees creating a seamless merging of the two**
- **Virtual attendees see the room from multiple angles so they feel included**
- **In-room screens show the virtual attendees, so in-person attendees can connect and interact**

Hybrid Events

We customize Hybrid events specifically for your needs and experience desired. However we are NOT your team if you just want a livestream, we believe in a connected immersive experience everytime!
