

COVID-19 Agreement + Your Safety

We'll be following the local COVID-19 guidelines and any requirements of the venue.

All shared surfaces will be disinfected before class. I will provide hand sanitizer, and you're also welcome to bring your own.

For the safety and well-being of all attendees (and the venue). In order to attend the weekend workshop, you must:

- Not be diagnosed with COVID-19
- Not have been exposed to COVID-19 in the past 10 days
- Be free of any COVID-19 or variant symptoms

Mask Requirements (please read):

- At the Michigan venue there isn't a mask requirement in the Reiki classroom, but there is a mask requirement in the common areas of the venue (hallways, lobby, bathrooms). Masks must cover the nose and mouth.
- The Colorado venue does not have a mask requirement in place.
- As the instructor, I will be wearing a mask in the Reiki classroom. You are welcome to wear a mask, but not required to in the classroom.
- Mask requirements are subject to change at either venue.

If you have any questions you can reach me at (720) 683-0444 or at lisa@lisaguyman.com.

Namaste,
Lisa
