

## Reiki Workshop Event Guide Denver, Colorado

I'm so glad you are on your Reiki journey with me! Reiki is amazing, and I look forward to sharing the energy of Reiki with you.

Here is some helpful information for the most enjoyable and engaging Reiki workshop experience!

### **Before the Workshop**

#### ✓ **Preparing**

- Having a light weekend is a good idea, allowing you to fully engage in the Reiki experience.

#### ✓ **Journal Your Journey**

- Begin to notice the shifts you are experiencing in your life as a result of deciding to learn Reiki. Also, set the intention for what changes you'd like to experience in your life as a result of connecting with the energy of Reiki.
- It's also great to journal about your experience at the workshop and as you practice self-Reiki and give Reiki to others.
- Line up your Reiki Recipients (Reiki I & II only)
- For the Reiki I/II class, you'll want to line up two people for our Distant Reiki practice, which will happen at about 1:00 pm on Saturday. **See details below.**

#### ✓ **Print the Reiki Symbol Handouts**

- Please print out the Reiki symbols or copy them by hand to create a reference sheet for use in class, or view on your phone.

### **What to Bring with You**

- **Blanket and pillow** (optional): You may want a blanket and a pillow to make your table treatment cozier.
- **Bottled water, beverages, and snacks:** Feel free to bring snacks or pack a lunch; our venue has a small fridge. I also provide some snacks.
- **Layers:** The room temperature fluctuates, so dress in layers.
- **Yoga mat:** (optional) If you'd like to lie on the floor for the Reiki self-treatments, use it as a bolster under your knees to support your back during your table treatment.

### Class Venue

#### **Washington Park Methodist Church**

1955 E. Arizona Ave., Denver, CO 80210.

There is a nice-sized parking lot. If the lot is full, you'll find plenty of on-street parking (non-metered) around the building; however, read the parking signs for any restrictions. We'll be in the North Parlor in the far right corner of the building. The entrance to our space is beyond the last row of pews in the sanctuary.

**Coming from out of town?** See suggestions for hotels on the last page of this event guide.

## Reiki I & II

### **Remote Reiki Practice**

Around 1:00 pm Saturday

If possible, get permission from 2 people for the long-distance Reiki practice. Ask them if they'd like to receive Reiki during our class exercise. Another option is sending Reiki to a pet.

- This exercise is done remotely, and the recipient does not need to be available (e.g., on a phone call) during the practice.
- If they wish to meditate or lie down, you can let them know with a quick call or text as we get close to the practice time.
- The person (or pet) doesn't need to have any kind of troubling issue (health or otherwise).
- People seek Reiki to boost their well-being and to experience a sense of peace and calm. • Most recipients of Reiki report feeling relaxed and having greater clarity.

## Reiki Master Level

Reiki is a path of awakening to who you truly are. It's more than just a healing practice - it's a path to your spiritual development. Achieving the Reiki Master Level can lead to profound personal and spiritual growth.

Go beyond the foundations of the Reiki I/II symbols and hand placements as you deepen your relationship with the 3 "P's" of Reiki:

- Practice
- Principles
- Presence

In this class, you'll explore and practice the **Energetic Release Technique**, which adds a new dimension to your Reiki practice and deepens your experience of Reiki. You can use this technique to facilitate the release of energetic blockages with your clients, clearing the way for greater inner peace and balance.

## Reiki Teacher Level

Get a peek behind the scenes of the Teacher's perspective of Reiki! With this "360 view" of everything that goes into teaching Reiki, you'll also build your confidence in your practice of Reiki.

Achieving the Reiki Teacher level can be seen as a commitment to your spiritual growth as a Lightworker. It opens the doors to greater possibilities for your Reiki journey.

I'll demonstrate how to give a Reiki Attunement in person, and walk you through giving Reiki Attunements to your classmates, and talk about how to do Remote attunements.

Some of my students are interested in teaching group classes, while others like the idea and the intimate nature of teaching 1:1 private courses.

Even if you don't plan on teaching Reiki, having the ability to give attunements can be a gift. There might be situations or moments where someone close to you is interested in learning, and you'll have the capacity to attune them and guide them in the practice of Reiki.

I look forward to seeing you at the Reiki weekend - it's going to be amazing!
