MANILA MAGIC

Day 1: Sat, Oct 11

We officially kick off our Philippines RadVenture at **1pm on Sat, October 11.**

We meet our guides and group for introductions at the Nobu Hotel, City of Dreams. While away the afternoon exploring this part of the city with new companions.

For our first night, we celebrate with a **Welcome Dinner** at the world-famous Singing Cooks & Waiters Restaurant. Joyful spirits accompany banging pans, Filipino music, and authentic local cuisine!

Spanish History: a Treasure Trove

Day 2: Sun, Oct 12

After breakfast at our hotel, we start the day with a **Guided History Tour** in the old Spanish Quarters of Manila. Intramuros, meaning “within the walls”, is the historic walled city of Manila. Bound on all sides by moats and thick, high walls, it’s also a UNESCO World Heritage Site and a testament to the Spanish Colonial period.

We’ll decide on a lunch venue together, after which we return to hotel to check out.

Flight to El Nido: as a group, we enjoy an easy 1.5hr flight to El Nido so we can start leg two of our journey together! We check into our resort tonight.

Wherever you go in the Philippines, your heart will follow.

Itinerary: Days 3 - 6

After breakfast at the resort, you'll be transported into another dimension with more of Robert's powerful teachings.

PORT BARTON BLISS

Day 7: Fri, Oct 17

After an early breakfast at our El Nido resort, we check out and embark on a **bus trip to Port Barton**. The drive is appr. 3-4hrs, depending on the stops. It's the best way to explore more of what Palawan offers its visitors.

Upon arrival at our destination in the new paradise, we **check into our villas** and eat a delicious lunch.

After sunset, we'll enjoy a **dinner celebration with live music** and authentic Filipino island cuisine.

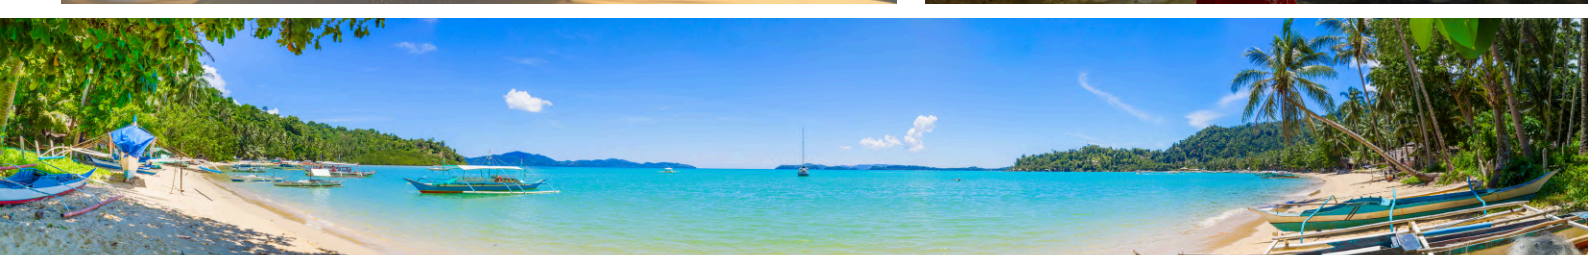

Day 8: Sat, Oct 18

Today's **full-day RadVenture excursion** will have you never wanting to leave!

We sail to a secluded snorkeling reef where you can swim, snorkel, or while away time on the boat.

Next, we take you to **Thelma & Toby's Private Island**, a hidden gem amidst uninhabited islets and sandbars. The only decision you're faced with is whether to go paddle boarding to the nearest island, waterfall hunting by kayak, play beach volleyball, or swing in a hammock.

Upon return to our villas that evening, we relax with our final dinner in this stunning remote destination.

Where the sea meets your soul.

Itinerary: Days 9 - 10

FOND FAREWELLS FROM MANILA

Day 11: Tues, Oct 21

Fuel your body with the scrumptious hotel breakfast before packing up to fly home today.

There are no planned excursions or group activities on Day 11 because most guests need the day to prepare for their long-haul return.

Depending on the time of your flight, however, you may have enough space to experience a little city tour or non-guided walkabout with some of the other guests: new friends you made throughout the journey!

Airport transfers can be arranged direct with the hotel, and the TeamRAD crew is available to assist.

From here, we bid each other farewell with love and wish you

Bon Voyage!
