Two Technical Details Of Our Program

We run our Affiliate Program on the Kartra platform. The cookie window is 30 days, so we will easily be able to attribute your sales to you.

As you go through the process to Join the Program, you will be asked if you have a Kartra account or not. If you do, enter those login details, and if you don't you will be given a free Kartra affiliate account. This is just to give you access to your affiliate links and there is no obligation to later subscribe to Kartra.

THE OFFER TO SUMMIT SUBSCRIBERS

This is a summary of the Offer to Summit Subscribers.
Please note that we anticipate the value of bonuses for the All Access VIP Pass to increase further.

Step 1

When you Join the Program and we approve you, you will receive your login details.

When you login, you will see that you have a unique trackable link to the summit registration page.

Step 2

The free registration will give subscribers access to 30+ in-depth healing conversations, over three days, with downloadable summit/speaker gifts and practical ideas and practices.

And to convert them from summit registrants/attendees into buyers, we offer them the VIP All Access Pass which gives them all the recordings and bonuses worth over $2,086.

Step 3

Upon registration, there will be a one-time offer to buy the VIP All Access Pass for just $99 (the regular price is $149).

In the time between their registration and the beginning of the summit, those who have not yet upgraded will be invited to upgrade for the discounted price of $129 (against the regular price of $149).

After the summit begins, any registrants who have not yet upgraded will be invited to do so at the regular price of $149 which I still excellent value because the VIP All Access Pass is worth over $2,086.

AFFILIATE OR JV BROKER?

Play to your strengths, but you are not locked into only one role. When you Join the Program, you will receive your own unique links to be either or both.

As an Affiliate, using your links, you will send potential subscribers to the respective landing and sales pages which are clearly labelled in the Affiliate Centre.

As a JV Broker, using your link, you will send the potential affiliates you have recruited directly to a form to join the Affiliate Program. This means they will not see any of the information on this page beforehand. So, **please click here to download a PDF version of this page** which you can share with the affiliates you are recruiting together with your JV Broker link.

Please use the links and your activity will be tracked and you will be rewarded for your results.
