

The Venue Accelerator

For Café, Bar & Restaurant owners ready to scale up—big time.

Let's keep it simple:

The Accelerator is built to help you **double your profits and halve your hours in 12 months**. More time. More profit. More freedom. That's the game.

It's for café owners who:

- ✓ Are already doing **\$20k+/week**
- ✓ Are profitable—but know they could be doing more
- ✓ Might've just smashed the **Million Dollar Implementation Programme**
- ✓ Want to grow a team, open a second site, or step away from the daily grind without the business falling apart

It's the right mix of: **Strategy** - we know what works - lets focus on that | **Execution** - getting stuff done | **Education** - Best Practice in Hospo | **Inspiration** - hang out with people like you

Here's how we do it:

You get a lean but powerful mix of **strategy, structure, and support**.

- **Fortnightly 1:1 Coaching**
Your business, your numbers, your next move—customised. No fluff.
 - **Fortnightly Group Sessions**
Strategy jams, hotseats, shared wins and stuck points.
Get smarter faster by learning from others scaling just like you.
 - **Quarterly Review Sessions**
Refocus, replan, and recommit—every 90 days.
 - **Annual Conference**
One big in-person get-together to go deep, dream big, and strategise next-level moves.
 - **Full Access to the Resource Library**
Every template, system, and swipe file we've ever created. Just grab and go.
 - **Free Copy of the *Recruit Right for Hospo* Programme**
So you're not flying solo on team building.
-

The Investment

- ✓ \$1,998/month
 - ✓ Ongoing support, zero contracts. Stay as long as you're getting value.
