

Want to use these resources in your Google Classroom? No problem!

Click the links below and the resources will copy to your Google Drive. Upload them to your Google Classroom for students to access.

[Click HERE for the Spanish Greeting & Goodbyes Classwork](#)

If the links above require you to ask me permission to access the files... then I have bad news.

That means your district has super strict sharing rules. It also means all your students will flood my inbox with share requests, which I won't be able to give them.

This is what I see on my end:
