

Soul Signatures® Ambassador Certification

With Nicola Tonsager
Being Soul Confident

A 6 month programme with Soul Signatures® for personal & spiritual development and to facilitate Soul Signatures® for others

Module One - Understand what Soul Signatures® are

- Definition and concept of Soul Signatures®, their purpose and uses
- Understanding the different components of Soul Signatures®: Qualities, Activations, Soul Prompts
- Know Basic Energy Techniques for grounding, centring, being present
- Spiritual alignment and growth with the Soul Signatures® - beginning a personal practice

Module Two - Understand The Eleven Soul Signatures®

- Key Considerations, challenges, opportunities
- Identifying when to work with a Soul Signature
- Aligned and challenging Soul Signatures®

Module Three - Identify & Understand The Personal Soul Signatures®

Profile

- Identifying the four key components of the profile - what they are and what they mean
- Assessing and understanding your profile as a whole
- Practical alignment through qualities, activations and soul prompts
- Identifying personal annual Soul Signatures® and understanding the influence they bring
- Understanding how to work with your personal profile for healing, integration, expansion and growth

- Values & Soul Signatures®

Module Four - Working with Soul Signatures® in Life

- Identifying which Soul Signature is active and how it is active
- How to identify which Soul Signature to work with
- Understanding how to work with it energetically and practically
- Understanding when not to activate a Soul Signature
- Working with specific Soul Signatures® components - qualities, activations and soul prompts
- Integrative Practices to align in daily life

Module Five - Soul Signatures® Groups

- Identifying the four Soul Signature Groups
- Understanding how group Signatures amplify energy
- Understanding stabilising Soul Signatures®

Module Six - Identify & Understand The Business Soul Signatures® Profile

- Identifying the four key components of the profile - what they are and the influence they bring
- Assessing and understanding the profile as a whole
- Assessing and understanding the nuance between the personal and business profile
- Identifying the business annual Soul Signature and its influence

Module Seven - Working with Soul Signatures® for Business

- Understanding Soul Signatures® within business
 - Aligned Energies
 - Business offers - understanding the energy behind business names and dates

- Investment energy
