| ABOUT US

Tradies Mentoring Tradies

When it comes to developing trades businesses, we have you covered. Our mentors have experienced similar challenges and are well-versed in the essential factors to consider while expanding a trades business. Not only do our mentors understand what to be cautious about, but we also have a reliable team of professionals ready to support you. We refer to this as your pit crew.

BUSINESS DIAGNOSTIC

Your roadmap to a profitable future.

A thorough examination of what is currently effective and ineffective in your business.

| THE DIAGNOSTIC

Achievements and Milestones

What have you achieved so far and what Milestones have you hit.

Financials

The lifeblood of any business is the financials. We roll our sleeves up and take a look.

Business Plans and Strategy

We will go over all your plans and strategies to create a clear roadmap going forward.

Team and operations

We will perform a SWAT analysis on your team to see what needs improving to create your A team

Customer and market insights

We will have a look into your customer strategies and any other market opportunities you could be tapping in to.

Personal reflection

Your business has to be delivering the life you desire not consuming all your time and leaving you stressed out.

| WHY CHOOSE US?

Quality Assurance

This is an in depth look at where you are currently and where you would like to be in the future based on your current trends. This will enable us to create a roadmap for you moving forward.

Client Satisfaction Guaranteed

We guarantee that you will be satisfied with the roadmap we create together otherwise we will give you your money back.
