## Financial Assistance Request Form:

Its Time4Homeschool is dedicated to giving all kids the opportunity to experience Academic STEAM Summer Camp regardless of their financial situation. We will coordinate and partner with non profits and other community organizations to provide scholarship funding, as needed.

Financial Assistance is available thanks to donations to The T4H Education Foundation, INC. The non profit is designed to help students get ahead and change the meaning of No Child Left Behind. A set sliding scale is used to determine how much assistance is awarded and is based on financial need, so families who apply for camp scholarships must demonstrate financial hardship. We will give out partial scholarships in varying amounts. Parents or guardians will be responsible for any remaining portion. Please note participants must attend the entire summer.

Applications will be reviewed upon submission, and all award letters will be emailed to the primary member on the application. Please allow up to 7 business days to process the application. If you have not received a letter or phone call please contact us via email to check the status of your application.

Briefly describe the nature or reason for your financial assistance request:
