Disclaimer:

The masterclass is not designed to and does not provide medical advice, professional diagnosis, opinion, treatment or services to you or to any other individual. The masterclass, including but not limited to, all information, links, and information contained within are for informational purposes only. The information provided in the masterclass, or through links to other websites, is not a substitute for medical or professional care. You understand that our role is not to in anyway, prescribe, diagnose, or assess any medical condition or provide any advice or service relating to such. Nor do we provide health care, medical, psychological, psychiatric, or nutrition therapy services; or diagnose, treat or cure any disease, condition or other physical or mental ailment of the human body here. You should discuss the services, any dietary changes, and potential dietary supplement use with your doctor. The masterclass is not meant to take the place of consulting with licensed physical health professionals. All services provided by, in and/or through the masterclass are for informational purposes only.
