

MOST WANTED

VEHICLE SEARCH ACTIVATED

\$1 MILLION

IN BONUS REWARD

* Come get your share of the one million dollars (\$1,000,000) we have to buy vehicles of all makes and models. Your share of the money is based on the current market value of your trade-in vehicle in the area during the event. A visual inspection of your vehicle at the dealership is required to firm up the final amount you could get from the Most Wanted Bonus Reward Fund. Due to the high demand and low supply for quality pre-owned vehicle you could potentially get more for your existing vehicle now than at any other time in the next 12 to 18 months. Please contact our dealership to schedule your vehicle inspection. Final trade evaluation given at the dealership will be valid for 72 hours. The amount you will get from the Most Wanted Bonus Reward Fund represents the maximum amount of money we can possibly get for your existing vehicle using available technology and our relationships with wholesalers and is not an amount given on top of its actual value. Please see dealer for details.
