

YOUR GENEROSITY IN ACTION

STEP INTO THE MOMENTS YOUR SUPPORT MADE UNFORGETTABLE

MESSAGE FROM THE RABBI

Dear Friend,

Downtown Roswell has been alive with laughter, heartfelt conversations, and moments of Jewish pride. Moments you helped make possible.

Whether it was the joy of meeting new friends on Canton Street, the warmth of gathering for a lively public Seder on Passover, or the laughter shared at Lag B’Omer community barbecue, each experience has deepened our sense of connection. Your support is helping cultivate a space where Shabbat feels more meaningful each week. What we are most proud of is seeing people take initiative. The community is reaching out, asking how they can get involved, and sharing how much excitement there is to have a Jewish presence on Canton Street.

Looking ahead, we’re thrilled to bring you inspiring adult learning classes, meaningful High Holiday programs, and engaging events for children and women. Here’s to more spiritual connection, a generous side of good Jewish food, and a flourishing Jewish life in Downtown Roswell.

With heartfelt gratitude and blessing,

Rabbi Chaim Schwartz

WHY I SUPPORT CHABAD

By Nolan Feintuch

“Judaism is an important part of our family. It gives us identity, spirituality, purpose, and values. It has helped us raise our children so they can become the best people they can be.

Chabad plays a big part for us in practicing Judaism. My parents are involved with their local Chabad. My daughter was involved with her Chabad in college as well as my son. They have given us a warm place to go to enjoy Jewish education, companionship, activities, holidays, and atmosphere. I know they have done the same for many Jewish people in the communities they serve.

We donated to the Chabad because it is important that the Jewish community has a place to go to experience the beauty of Judaism and all that it offers. I know there are many unaffiliated Jews who look to Chabad as a way to be part of the Jewish community. Also, I am excited to have a local Chabad close to where we live and hope for its continued success.”

CHABAD UPDATES

Roswell Moves

At the Roswell Moves festival on April 27, joy filled the streets as children bounced and laughed in the moon bounce set up right in front of the Chabad building. Families from across the community stopped by, and the day was alive with smiles and connection.

Mezuzah at Vickery Rose

Rabbi Chaim Schwartz helped residents of the Vickery Rose Retirement Community affix a new Mezuzah to their door. This mitzvah brought blessing and the warmth of Jewish tradition into their home.

Memorial Board Installation

A new Memorial Board was installed at Chabad of Downtown Roswell, thanks to the volunteer efforts of Michael Schwartz and the generous donation from Charles Idelson in honor of Linda Idelson. This meaningful addition offers the community a lasting way to honor and remember loved ones who have passed.

Alive in Roswell

This August, the Chabad booth at Alive in Roswell welcomed 30–40 visitors who stopped to chat, take home Shabbat candles, put on tefillin (for some, for the very first time), or pick up a tzedakah box. Each encounter sparked warmth, Jewish pride, and connection in the heart of Roswell during this lively city festival.

Special Tefillin from Israeli Hostage

On August 14, community members had the special privilege of putting on a pair of Tefillin that belonged to one of the Israeli hostages. It was a deeply moving experience of connection, unity, and solidarity with our brothers and sisters in Israel.
