

Headline: Your Kindness in Action
Tagline: Fall 2025 Highlights

Dear Friends,
Fall has been a special season at Friendship Circle, filled with laughter, learning, and connection. From Hebrew School’s first day to the joy of celebrating Sukkot together, every smile was made possible thanks to you.
Here’s a look at this season’s highlights:

Hebrew School: Living and Learning Judaism Together
Hebrew School has been in full swing since September, with six amazing classes of children with special needs. Each one living, learning, and loving Judaism in their own way!

Every class is uniquely catered to each child’s abilities, making every Sunday feel warm, joyful, and full of pride. The past month was all about the holidays. Now, everyone’s back to regular learning.

Family Sukkot Party: Food, Fun & Friendship
This year’s Family Sukkot Party brought together families for food, music, laughter, and fun. Kids got creative with crafts, parents reconnected, and the show had the whole crowd cheering. It was a special day, filled with friendship, community, and holiday warmth.

It was the kind of day that leaves hearts full and smiles lasting long after everyone heads home.

Mini Camp: Two Days of Discovery, Friendship, and Joy
The Mini Camp during the NJ Teachers Convention brought two full days of exciting programs coordinated by Friendship Circle. Yeshivat Noam and Yavneh Academy hosted the FC children for wonderful and enriching experiences!

There’s even more to celebrate! Here’s a look at what’s been happening throughout Friendship Circle:

- **Teen Scene** brings teens together for friendship and fun.
- **Moms’ Night Out** gives parents time to recharge and connect.
- Nearly **100 new volunteers** have joined since the school year began.
- **Friends at Home** matches continue to grow, giving kids the joy of weekly playdates with their volunteers.

Thank you for helping make moments like these possible. Your support builds a community of friendship, growth, and belonging.

May HaShem continue to bless you with joy and Nachas and the ability to accomplish more and more!

With gratitude and blessings,
Rabbi Moshe and Zeesy Grossbaum
Friendship Circle
