Hello!

On behalf of the You Night Sisterhood and the thousands of residents in our community who are battling any type of cancer, we would like to personally invite you to take part in our Battle of the Brass Cornhole Tournament to show your support of our mission. Since 2013, You Night has helped hundreds of women in our community find a sisterhood of support and a path forward after a cancer diagnosis.

You will be joined by an elite group of 2-person teams who will tossing in an exhibition tournament, followed by the community tournament. Arrive at 10:30 a.m. and enjoy crawfish (on us!) or stay after the tournament to dine and eat. The event includes a Wellness Fair, Beverage Garden and Family Fun Zone. Last year was our inaugural event, and we had over 500 persons attend! We look forward to another great year, raising funds to support the We Lift You Up Fund - our 501c3 public charity,

Sadly, and something that should be getting all of our attention! - 9600 persons are expected to lose their lives to cancer in our state this year, and 35,000 are expected to receive a new diagnosis. Your support signals to the community that this is an issue impacting far too many people, and that you are getting behind our efforts to offer services and support that help residents find a path forward after a diagnosis through our therapeutic programs. Not only do we help those who are diagnosed to find support, but we also help them find their voice and the impact that our survivors are making is huge, as they share their experiences and provide valuable information that can save lives through our podcast, YouTube channel, magazine, events, and social media.

If you are able to participate please contact: Asja Godbolt 985-265-6215 or email: [SilentSuffers777@gmail.com](mailto:SilentSuffers777@gmail.com) Please provide us with the first and last name of your 2-person team members, provide us with your titles, and if you want a fun team name, please provide that info as well (or simply state the organization you are representing).

Thank you for your support! Feel free to reach out to You Night Founder, Lisa McKenzie, if you have any questions. We've attached a graphic of last year's amazing players and will update a similar one once we know who is on board.
